Katun Performance™ Monochrome Toners for use in

Lexmark MX 310/410/510/610-series

Printers & MFPs

Katun PN: See Page 2 • OEM PN: See Page 2

These remanufactured Katun monochrome toners for use in Lexmark applications provide quality and value

Katun is excited to add to our growing line of high-quality monochrome and color toners for use in Lexmark printers and MFPs. These Katun Performance™ monochrome toners provide outstanding performance, remarkable print quality and significant cost savings.

Benefits:

◆ **Tested for Dependable Performance and Outstanding Image Quality**
You can trust Katun – these toners have been developed and rigorously tested to ensure complete compatibility with the OEM toner and to provide outstanding:

- Image quality & density
- Yields
- Fusing performance

◆ **An Easy Way to Increase Your Long Term Profitability**
These products offer significant cost savings, which means you can improve your profitability without sacrificing quality or customer satisfaction. Although these mid-size workgroup printers are no longer sold by Lexmark, machines in the field are likely to exhibit longer-than-average machine lives due to their track record of durability and infrequent performance issues, enabling you to pursue immediate and long-term profitability increases.

◆ **A Smooth Transition from OEM Products**
These remanufactured toner cartridges fit, install, and perform similar to the OEM products, which helps make the transition from OEM toner to Katun Performance™ toner seamless for your customers. All Katun Performance™ toner cartridges are developed and manufactured according Katun's strict quality guidelines to ensure consistent quality and performance.

◆ **A Growing Line You Can Count On**
Katun offers a growing line of toner cartridges for use in the most popular Lexmark monochrome and color printers and multifunctional equipment, enabling you to meet the printing supplies needs of all your customers.

◆ **Your Best MPS Partner**
Katun is your ideal MPS partner, offering a wide range of imaging supplies across multiple machine platforms and OEMs, including these quality laser cartridges for your Lexmark machines.
